

Information sheet: national visa

Visa to work as an au-pair

Basic information

- Documents not in the English language must be submitted with a certified German translation. A translation of the personal data page of the passport is, however, not required.
- Certificates, diplomas, etc. must be presented in the original. Your original documents will be returned to you once your application has been processed.
- The visa must be approved by the Federal Employment Agency and, where applicable, the competent foreigners authority in Germany. The visa can only be issued when this approval has been received.
- **Processing time is as a rule ca. 4 weeks** but can take longer in individual cases.
- Flight reservations are not required to apply for a visa – please only book when you have received your visa.
- The mission abroad reserves the right to request further documents.
- Missing documentation delays the procedure and can result in your application being rejected.
- **Please do not contact the mission abroad to check the status of your application during the normal processing period.** Such inquiries are extremely time-consuming for the visa section and can thus not be answered.

General information

Persons aged 18 or over but under the age of 27 can be granted a visa to work as an au-pair for a period of at least six months and not longer than twelve months.

The aim of au-pair stays is to improve language skills and broaden horizons by getting to know the host country.

Only one au-pair stay in Germany is possible.
