

## Information sheet: national visa

## Visa for skilled workers holding a university degree/ EU Blue Card (Section 18g Residence Act)

## **Basic information**

- Documents not in the English language must be submitted with a certified German translation. A translation of the personal data page of the passport is, however, not required.
- Certificates, diplomas, etc. must be presented in the original. Your original documents will be returned to you once your application has been processed.
- The Federal Employment Agency and the competent foreigners` authority must where applicable, approve the visa. The visa can only be issued when these approvals have been received.
- Processing time is as a rule ca. one week but can take longer in individual cases.
- Flight reservations are not required to apply for a visa please only book when you have received your visa.
- The mission abroad reserves the right to request further documents.
- Missing documentation delays the procedure and can result in your application being rejected.
- Please do not contact the mission abroad to check the status of your application during the normal processing period. Such inquiries are extremely time-consuming for the visa section and can thus not be answered.
- Please do not staple the documents

## **General information**

As a <u>skilled worker with a university degree recognised in Germany</u>, you will be issued with an EU Blue Card if the employment you want to take up matches your professional qualifications and you can present a contract of employment certifying a gross annual salary of at least € 48 300 in 2025 (for STEM occupations - scientists, mathematicians, engineers, doctors and IT specialists - at least € 43 759.80).

Use the following checklist to make sure your application documents are complete. All documents listed here are to be submitted in the requested form and order.

The following documents are to be submitted in full with every application.		Visa application checklist	
One fully completed and signed application including declaration pursuant to Section 54 Residence Act One recent biometric passport photo (see specimen photos) Valid and personally signed passport with at least two completely empty pages One uncertified copy of the data page of your valid passport Completed form signed by your employer: Declaration of employment (original with one copy)  There is a minimum salary requirement for the EU Blue Card which is set once a year by the Federal Ministry of the Interior. In 2024, the minimum gross annual salary requirements are:  • € 43 759.80 for scientists, mathematicians, engineers, doctors and IT specialists (so-called STEM occupations) and • € 48 300 for all other occupations.  Proof of qualification: University qualification (all pages, original and one copy)  Proof of recognition of the qualification:  - One printout from the anabin database on the qualification and on the institution or (if the qualification is not assessed as "entspricht" (comparable) or "gleichwertig" (equivalent) and/or the institution is not classified as "H+")  - Statement of Comparability by the Central Office for Foreign Education (ZAB) (original with one copy)  or (in the case of regulated professions in which permission is required to exercise the profession, for example, doctors, engineers; complete list is available from the Federal Employment Agency or the European Commission)  - Permission to exercise a profession issued by the authority responsible for recognising qualifications or assurance of permission to exercise a professions: decision of the licensing authority in the federal territory, i.e. assurance of permission to exercise a profession and/or issuing of medical licence)  More information on recognition: www.anerkennung-in-deutschland.de		том арриомион опосино
