

## Information sheet: national visa

### Visa for skilled workers holding a university degree/ EU Blue Card (Section 18g Residence Act)

#### Basic information

- Documents not in the English language must be submitted with a certified German translation. A translation of the personal data page of the passport is, however, not required.
- Certificates, diplomas, etc. must be presented in the original. Your original documents will be returned to you once your application has been processed.
- The Federal Employment Agency and the competent foreigners` authority must where applicable, approve the visa. The visa can only be issued when these approvals have been received.
- **Processing time is as a rule ca. one week** but can take longer in individual cases.
- Flight reservations are not required to apply for a visa – please only book when you have received your visa.
- The mission abroad reserves the right to request further documents.
- Missing documentation delays the procedure and can result in your application being rejected.
- **Please do not contact the mission abroad to check the status of your application during the normal processing period.** Such inquiries are extremely time-consuming for the visa section and can thus not be answered.
- **Please do not staple the documents**
